

BALLADE DANS PARIS

... LA NUIT ...

UN DIAPORAMA PROPOSÉ PAR JEAN LAHAIS

The image shows the facade of the Galleries Lafayette department store at night. The building is heavily decorated with warm white lights. A large, intricate light display in the center features a grid pattern with a central circular motif. Above this display, the words "GALERIES LAFAYETTE" are written in large, white, serif capital letters. The top of the building is also adorned with lights, including a prominent circular light fixture. The overall scene is festive and brightly lit against the dark night sky.
